Re: Visitation

Please be advised that a change in visitation will occur effective August 9, 2021. General population PIOC will be allowed up to three in-person visits, based on availability (limited to two hours) and one Zoom visit per week (limited to 30 minutes). Initial classification (reception status) PIOC will be allowed up to two in-person visits, based on availability (limited to two hours) and one Zoom visit per week (limited to 30 minutes). All visits must be scheduled at least two business days in advance, not including Saturday, Sunday or holidays. Visitors can now schedule up to two visits of any type at a time.

In-person visit procedure:

1. Visitors must have an approved Visitor Questionnaire (DOC-21AA) and be on your visiting list. Up to three approved visitors will be allowed per visit. At least one visitor must be an adult.
2. Visitation eligibility will be determined by PIOC current status or disciplinary status restrictions in accordance to WIDOC 303.
3. Visits are scheduled on a first come first serve basis as space is limited. Visitors may schedule up to two visits at a time provided there are two business days' notice as required.
4. Your visitors can schedule visits by emailing DOCDAIDCIZoomVisits@wisconsin.gov. Please ensure your visitors are clearly identifying if they are requesting an in-person or Zoom visit.
5. If your visitor(s) does not have access to email, they may call the facility at (920) 324-8362 to request a visit. It is highly encouraged that they use the email system to process the request in a timelier fashion as the phone mailbox is only checked once per day.
6. Visitors will be required to pass a COVID-19 screening procedure for temperature and symptoms prior to being allowed to enter the visiting area. Masks are mandatory for all visitors ages 2 and up per CDC guidelines.

7. Visitors shall arrive at least 15 minutes before the scheduled visit and call (920)324-6425 prior to entering the lobby as they will not be permitted to wait in the facility lobby.
8. You are required to wear full state issued uniform, mask, and state issued ID on the most outer top visible for staff to view at all times. Masks are to be worn for the entire visit. Green top must be tucked into green bottoms. Removal of outer layers will not be allowed in the visiting room area.
9. Please remind your visitors that they should not wear undergarments with any type of metal. This includes underwires and hooks.

Visiting schedule is as follows:
